CORE SPECIALTY

Essential Duties and Responsibilities: (Position based in Cincinnati, OH)

The Senior Risk Analyst will play a critical role in integrating enterprise risk management activities throughout the organization. Responsibilities include the continual maturation of ERM framework by executing risk-based initiatives across the organization, supporting risk-intelligent decision making.

Key Accountabilities/Deliverables:

- Collaborate with different departments and different levels of management to develop risk tolerances /limits, indicators, etc. to aid in the identification, assessment, and reporting of significant risks
- Develop risk policies; assist business units with the development of risk policies and evaluate for fit for purpose
- Conduct risk assessments, ensure appropriate risk mitigation plans exist where needed and provide meaningful feedback to the organization
- Prepare risk registers/dashboards/risk reports to ensure effective reporting for the Enterprise Risk Committee and Board Risk Committee
- Serve as a key contact for risk owners
- Provide training to risk owners and other members of the organization as needed on the ERM framework and approach
- Ensure effective alignment between ERM processes and Internal Audit activities to promote an integrated risk management approach

Technical Knowledge and Understanding:

- Experience in embedding risk management practices within an organization
- Must have a strong working knowledge of ERM framework and its components
- Proficient with Microsoft suite of products (Word, Excel, PowerPoint)
- Familiarity with risk analytical tools would be a plus

Experience:

- Bachelor's degree in Risk Management and Insurance, Finance, Accounting or related field
- MBA, CPCU and/or other advanced insurance designation preferred
- 4+ years of combined insurance industry, enterprise risk management, internal audit experience
- Demonstrated ability to prioritize, plan, organize and meet deadlines

At Core Specialty we believe that our employees are our most important asset. Helping our employees and their families achieve and maintain good health – physical, emotional, and financial – is the reason Core Specialty offers extremely rich and affordable benefits including, but not limited to medical, dental, vision, and life insurances; short and long-term disability; a Company-match of 100% of a 6% contribution 401(k) plan; an Employee Assistance Plan; Health Savings Account, Flexible Spending Account, Health Reimbursement Account, and gym reimbursement.
